****

As We come to the close of the twelve-month cycle, all of Those who represent the Spiritual Hierarchy are gathered at Shamballa, and here We celebrate a Cosmic Thanksgiving in which every one of the Brothers is a participant.

It is a marvelous opportunity to release the concentrated blessings of life upon each and every one who has served and increased the Comfort of the Universe during that period.

The great Audience Chamber is open for this Festivity, and the evening before your national holiday, and for four days and nights thereafter, there is a constant outpouring of blessing and benediction upon every electron, elemental, animal, human, Angelic, Devic, Ascended Master and Cosmic Being who have consciously or unconsciously contributed to the forward progress of the race.

It is a beautiful sight to see the various kingdoms gathered to receive the honor and blessing of the Sun of our System, through its representatives, in conscious gratitude for life well spent. Also to this great Feast of Thanksgiving certain members of the human race are invited and given the honor and recognition which they have earned through meritorious service in the world of form. There is not a lifestream who has given 'even a cup of cold water' in the Name of the Presence of God but is acknowledged and blessed therefor, and such is the memory of the Perfected Beings that no electron is slighted or overlooked in this time of Thanksgiving.

This year, because of the tremendous response of the lifestreams who have been chosen to represent the vanguard of the New Movement, there will be a particular blessing upon the individual members and their cooperative groups for the strength of their Light and the accuracy of the perception, which gives Us the opportunity to apply for a greater Dispensation at the January Council.

One of the most exquisite ways of preparing for the Christmas Season individually is for each lifestream to consciously and earnestly prepare his own ceremony of Thanksgiving and, officiating upon the Altar of his own Christ Temple, invite into the Presence of his own God Flame all of the life that has served him during the twelve months that have passed and, through a special blessing and benediction, confer upon that life the added substance of his own Christ Nature. This ceremony will show each man how rich he is in the blessings that have filled his world through the channels in every kingdom - natural, human and Divine. In such an activity, no bitterness or discontent can live. Also, every Master to Whom the individual extends an invitation to his ceremony, will respond and enter into the Sanctuary of the heart where such a Thanksgiving is being celebrated; and this visitation, alone, will bring a return of spiritual blessings far beyond the comprehension of the outer man, for the individual effort involved in preparing such a Thanksgiving Service to life.

If you will rise on the tide of the Flame of Thanksgiving, which is the rhythmic pulsation from Shamballa, directed by Sanat Kumara, the Chohans of the Rays, the Cosmic Beings in charge of the Forces of the Elements, the Great Arch-

angels and Devic Lords into Their Kingdoms, you will find an acceleration of your own life wave which can become a permanent blessing and conductor of Their constructive energies into your world and activities.

This Flame of Thanksgiving has gone forth rhythmically since the day when the thirty Beings knelt before the Coming of their Lord, and it has builded in power as each lifestream became aware of the benefits which have poured through it, for the most part, without recognition for centuries. It is only the outer self that is not alert enough to realize the measure of Thanksgiving which we owe the universe, even by reason of the sustenance of a physical body alone; and the farther the lifestream proceeds on the Pathway to the Heart of God, the more each one finds what there is to be thankful for. Man, on the lower rungs of the ladder of evolution, is not even aware that there is a Spiritual Hierarchy, so Thanksgiving to these beings is not a ceremony of the heart, but when we enter the Ascended Master Consciousness and see the workings of the Inner Law, and the tremendous assistance of the Elemental Kingdom, the Angelic Host, as well as the Brotherhood, we realize more fully our indebtedness to life. For Myself, I am told, that in those Realms to which My Consciousness has not yet ascended, the intricacies of the Blessings of which we in this universe are the recipients, and Those of Whose source we are wholly unconscious, is unbelievable. So, the higher we go, the more grateful we are, and the more humble we get before that Power which is Our Life.

We have been advised by Sanat Kumara that, on Thanksgiving of this year, the Seven Retreats of

of the Chohans of the Rays and My own Retreat will be permanently open in order to allow the lifestreams evolving upon the planet the opportunity of intensified training upon the particular Ray which forms their natural vibration.

This opportunity should do much to increase the capacity and power of each lifestream to become master of the energy of his own life, and I would like to set forth the locations of these Retreats at this time:

El Morya	Darjeeling
Kuthumi	Kashmir
Paul, the Venetian ...	France, nr Marseilles
Serapis Bey	Luxor
Hilarion	Crete
Jesus and Mary	Over the Holy Land
Saint Germain	Transylvania
Maha Chohan	Ceylon

Note: A list of current Retreats and their Heirarchs will be found immediately preceding the Reference Index of this book.

This activity will in no way conflict with the progressive radiation which will form the pattern for 1953. It is a supplemental activity whereby the Chohans of the Seven Rays and My humble Self will be given the opportunity to accelerate the progress of the people who belong to Their Rays at this time. For lifestreams who are not yet aware of the Ray to which they belong there will be Beings provided who will take them to their proper Retreat while their bodies sleep.

A good way to find your Ray is to repeat over

the names of the different Chohans and then wait for the vibration which will strike through your energy when you reach the One which corresponds to your natural heritage.

Now, in the Name of the Giver of all Life, I enfold you, each and every one and all mankind, in the Cosmic Flame of Love and Gratitude that rises like incense to the Throne of the Most High on this Glorious Feast of Universal Thanksgiving.

Blessings and Love,

MAHA CHOHAN

A CHRISTMAS MESSAGE

As the planet Earth comes to a fulfillment of its yearly revolution around the Sun, the vibratory action of the twelve months begins to sound its final chord and note which contains within itself the Keynote of the year and which, for the remaining days of the year, is the predominant vibration felt by all people everywhere.

The Members of the Great White Brotherhood and every Being connected with the evolution of the planet endeavor to complete that portion of their service (which had been allotted to them at the beginning of the year) by the 15th of November. Each one makes it His personal or Cosmic business to 'close His books', so to speak, by this date, and turn His footsteps, as well as His thought and attention, to the Great Conclave at Shamballa. Here all the Blessed Children of the One Father come, filled with the happy anticipation of the joyous reunion and loving association with Their Celestial Brothers, coupled with the Glorious Feast of the Christ Mass in the Bosom of Their Father.

Every Being, whether incarnate, discarnate or Ascended, is a vibratory center - like a plucked harp string. In the Ascended and Cosmic capacity, the pulsation of vibration which forms the radiation of service takes on the single note at this time, which is the Keynote of the year, and all the variegated services of the Brotherhood blend
